

Rubbermaid Consumer Services
3320 West Market Street
Fairlawn, OH 44333

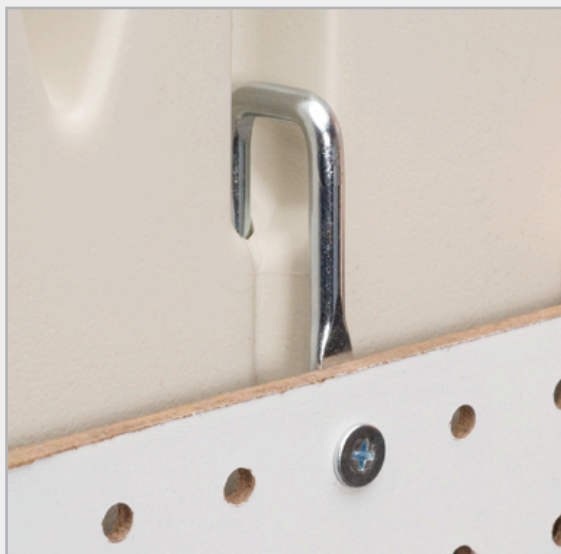

Valued customer,

Organizing your Rubbermaid® Roughneck™ Shed has never been easier thanks to the exclusive Rubbermaid® wall anchors that are now included with these products (scroll down for a full description). These unique wall anchors allow you to attach peg-board or install Rubbermaid® Twin Track or Homefree adjustable shelving uprights* to your walls, freeing up valuable floor space.

The Rubbermaid® Outdoor Storage Team

**Any shelving upright with screw holes spaced 22-1/2" apart, and a depth (height off the wall) of no more than .745" will work.*

New shed wall anchors from Rubbermaid® make it easy for you to organize your outdoor storage building the way you want!

Anchor for *NEW* Rubbermaid® and Roughneck™ sheds
(Item # 5L10, 5L20, 5L30 and 5H80)

Wall anchors attach easily to holes in pegboard or shelving uprights.*

Once attached, both types of wall anchors slide easily and securely into the wall.

*Different types of standard shelving can be used. However, please ensure the distance between the screw holes on the shelving uprights is 22-1/2 inches.

Please also ensure the depth (height off the wall) of the shelving upright is no more than .745 inches.

Order by calling Rubbermaid® Consumer Services at 888-895-2110, 8:30 AM to 5:00 PM, EST, Monday through Friday. We accept VISA and MasterCard. In order to ensure that you are ordering the correct anchors, please be sure to have your shed assembly instructions that identify the model number of your shed available when calling, as these parts are not returnable.
